Often, your first call for event liability insurance would be to your existing provider (car, home, business, etc.). Typically, these providers also have event insurance options, and “bundling” it with existing policies can save on costs. We have provided this resource if that is not an option for you or your event. Your event’s insurance can be from any provider you choose, as long as it meets the requirements listed below:

In order to secure an event permit in the City of Shawnee, Oklahoma, the event organizer must provide proof of insurance that meets the following criteria:

- *Valid in the state of Oklahoma*
- *Required minimums: \$1 million coverage, \$175,000 Personal Injury, \$25,000 Property Damage*
- *The City of Shawnee must be named as an "additional insured party" with the address of 16 W. 9th St, Shawnee, OK 74801*

This is NOT an exhaustive list of providers, locally or otherwise. We have listed agencies that expressed interest in providing this service to local events. If your insurance agency is located in Shawnee, OK and you'd like to be added to this list, please email us at info@visitshawnee.com.
